Everything you need to successfully run your day can be found online at **WWW.BIMADDAY.ORG.UK**, this includes:

- Agenda with assets for each session
- Teacher and agency instruction sheets
- Presentation
- All video links
- Challenge sheets (if additional needed)
- Student and teacher questionnaires (if additional needed and online versions)

TOP TIPS FOR DIGITAL DAY 2019

- Please ensure that you have contacted your agency/company partner (if partnered) to arrange the finer details of the day.
- You need a screen (to be connected to a laptop) and internet access to watch the presentations and videos.
- This is the one day that we encourage students to have their phone in class to get involved over social.
- Take some time to familiarise yourself with the instructions and assets available to you so you can be on hand to answer any questions.
- Encourage students to participate with us via social media using the hashtag **#BIMADIGITALDAY**
- Please remember your partner agency/company are not teachers, they are there to support and inspire the students, please be on hand to help them.
- And most importantly, have fun!
